

Studies in Eastern European Cinema

Call for Papers

Call for Papers for an online conference, organised by *Studies in Eastern European Cinema*.

The topic is *Eastern European Film and Screen Media*

Please submit proposals by **28 April 2021**. The conference will take place online at the University of Central Lancashire, on **28th of May**.

The organisers, Ewa Mazierska, Eva Naripea and Laszlo Strausz, invite abstracts for papers no longer than 15-20 minutes, as well as contributions to a panel discussion about teaching and researching Eastern European Screen Media.

We envision the event as a semi-formal meeting that attempts to compensate for the lack of scholarly fora in a lockdown environment. The event will provide a platform for introducing your current research and exchange of ideas in a relaxed, collegial environment.

Please send abstracts no longer than **200 words** with a short bio to EHMazierska@uclan.ac.uk
